✉ saibhoi91@gmail.com

Results-oriented software developer with a strong foundation in designing, developing, and managing software applications.Proficient in various programming languages and tools, with a demonstrated ability to learn new technologies quickly. Committed to producing high-quality, user-friendly software and eager to contribute to innovative projects.

EXPERIENCE

WEB DEVELOPMENT INTERN

Codsoft | Virtual

2024 - PRESENT

- Developed and maintained web applications using JavaScript, React, and Node.js.
- Implemented RESTful APIs and integrated third-party services.
- Collaborated with cross-functional teams to define, design, and ship new features.
- Optimized application performance, reducing load times by 20%.
- Utilized Git for version control and participated in code reviews to maintain code quality.

EDUCATION

BACHELOR OF ENGINEERING IN COMPUTER SCIENCE AND ENGINEERING

SSBT'S College of Engineering and Technology, Jalgaon
Current Year – 3rd year

Projects:

- Personal Portfolio Website: Designed and developed a personal portfolio website using HTML, CSS, and JavaScript. The site features an interactive gallery showcasing various projects, a blog section, and a contact form.

- Landing Page Project: Created a responsive landing page for a fictional product using HTML, CSS, and Bootstrap. The page included interactive elements such as sliders, modals, and forms to enhance user engagement.

- Calculator Application: Developed a basic calculator application using JavaScript, HTML, and CSS. The application performs basic arithmetic operations and includes a user-friendly interface.
